Budget talks underway

by George Stailey, Superintendent

THE ISD ADMINISTRATIVE TEAM IS beginning preliminary work on the budget for the 1998-99 school year and the 1999-2001 biennium budget. If you have any suggestions

for materials, equipment, or personnel, please forward them to the superintendent's office by May 15.

Thank you in advance for your suggestions and ideas.

Update on PTCO Day

by Bob Canty

THE FOLLOWING EVENTS AND activities have been added to the PTCO festival on Sunday, May 3rd:

Auditorium renovation:

Choose your seat now!

by George Stailey, Superintendent

THE RENOVATION WORK IN Alumni Hall's auditorium has been going smoothly. According to John Rahn, the work should be completed by the time school opens in the fall.

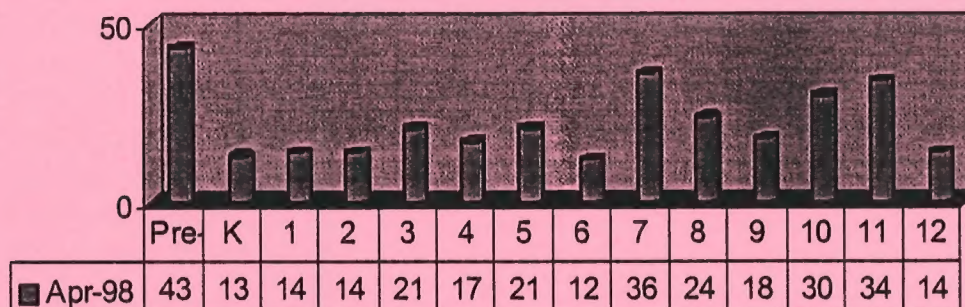

The superintendent's office will continue to accept donations of \$125 for the refurbishing of an auditorium chair until July 1, 1998. After that date, donations will be accepted but cannot be designated for the chair project.

After the July 1 deadline, ISD will host a small reception for those who have donated to discuss where or how they will be recognized.

Please contact the superintendent's office at 924-8400 (V/TTY) if you have any questions.

Many thanks to everyone who has made a contribution to this project so far.

Meet our Campus Police

by Greg Wright, Police Chief

THE INDIANA SCHOOL FOR THE Deaf Campus Police Department became a State certified Police Department in 1976. Since the start of the Campus Police Department we have endured many changes -- some good and some bad. So that you can get to know the officers of the Campus Police better, we have had the officers give us brief descriptions of their life and some of the training that they have attended.

We will feature one shift of the Campus Police department at a time. First let us introduce the 7:00 AM - 3:00 PM shift.

Greg Wright: I was born and raised in Indianapolis. I am married to Bethann Wright (who also works at ISD). I have 2 sons: Gregory, Jr., 18 who will be attending IU next fall, and Thomas, 16, who will be a junior at Boone County High school in Florence, Kentucky. I started to work for ISD in 1978 and became Chief of Campus Police in 1988. During my time at ISD I

attended the Indiana Law Enforcement Academy in 1978 for 10 weeks of training. In 1986 the (DEA) Drug Enforcement Agency trained me in Drug Operations and in 1987 the Department of the Treasury trained me in Child Abuse and Exploitation Investigative Techniques. In 1990 I attended the Indiana Police Chiefs Executive training at the Indiana Law Enforcement Academy. In 1995 I was trained by the Indiana State Police in the use of Doppler radar. I have also been employed part time by Marian College Police Department for 12 years and the Indiana State Fair Grounds for about 8 months.

Janice Bivens: I have enjoyed almost 20 years of being a part of the ISD family. I first came to ISD as an offset printer. I started working for the Title 1 program. I then transferred to a teachers aide position working with Mr. Marshall in the print shop. Shortly before Mr. Marshall

retired I transferred to the Campus Police Department. I settled in to a rewarding and challenging career doing what I enjoy.

Anthony G. McGavock, Sr.: I was born in Indianapolis and attended Crispus Attucks High School. I joined the army reserve in 1979 and went full time in 1982, stationed at Fort Bragg, North Carolina. I was a para-trooper in the 82nd Airborne division. I was also stationed in Fairbanks Alaska. I left the military in 1990 and attended the Marion County Sheriff Academy and have worked as a reserve deputy in Northwest Indianapolis for the last 5 years. I have been trained as an accident investigator and a member of the Marion County Sheriff's Department quick response team. I came to ISD from the Department of Correction, where I was a correctional sergeant and a street gang officer. I attended the Indiana Law Enforcement Academy in 1997.

See you next time!

THE NEXT ISSUE OF THE *CAMPUS BULLETIN* WILL BE distributed on Friday, May 1. Please submit any gripes, kudos, or items of general interest to Jim Frenchik at extension 414 (924-8414) by Tuesday, April 28. You can also e-mail your submissions to jfrenchik@isfd.state.in.us

Corey, you are not alone

by Jim Frenchik

WE WERE RECENTLY INFORMED THAT COREY Stapp is NOT the first ISD student to participate in Indianapolis' mini-marathon, as mentioned in *Campus Bulletin* Issue #15 (March 27, 1998). An ardent runner has assured us that there have been a handful of other hearty runners in years past.

We stand corrected.

Librarian needs reviewers

by Linda Canty

LINDA CANTY, OUR LIBRARIAN, has received a copy of The Complete Directory for People with Disabilities, which the publishers say is a comprehensive and helpful resource for anyone who needs information on products, resources, programs, and services for the disabled.

The directory offers, among other things, details on every-

thing from books (fiction, non-fiction, and adult), to the newest computer programs to newsletters and support groups that can provide the information that is so important for individuals and families when dealing with a disability.

The library has a copy for review purposes. Mrs. Canty would appreciate staff members

going to the library of look the book over and to offer feedback on whether ISD should have a permanent copy for the library. Your cooperation is very important because the book, if purchased, will cost \$150, which is money that Mrs. Canty definitely would like to avoid spending that much on a resource if it is not going to be used.

Pre-Retirement Workshop

by Mary Alice Moon

SIX DIFFERENT PEOPLE SENT IN REQUESTS TO ATTEND THE PRE-RETIREMENT TRAINING THAT THE STATE PROVIDES at the end of May and it was already filled. Since this is such a popular workshop and fills up quickly, I was asked to see if it would be possible to have one of the workshops done here at ISD. The state said that they thought they could make the necessary arrangements if we had at least 15 people who were interested.

Because this is an all day workshop, we would have to do it after the school year is finished. If you would be interested in attending this workshop the week of June 9 - 12, please fill out the form below and send it to Mary Alice Moon by Friday, April 24, 1998.

.....

Yes, I am very interested in attending the workshop on Pre-Retirement Planning.

Check all that would be possible for you:

_____ I could attend the workshop on Tuesday, June 9, 1998.

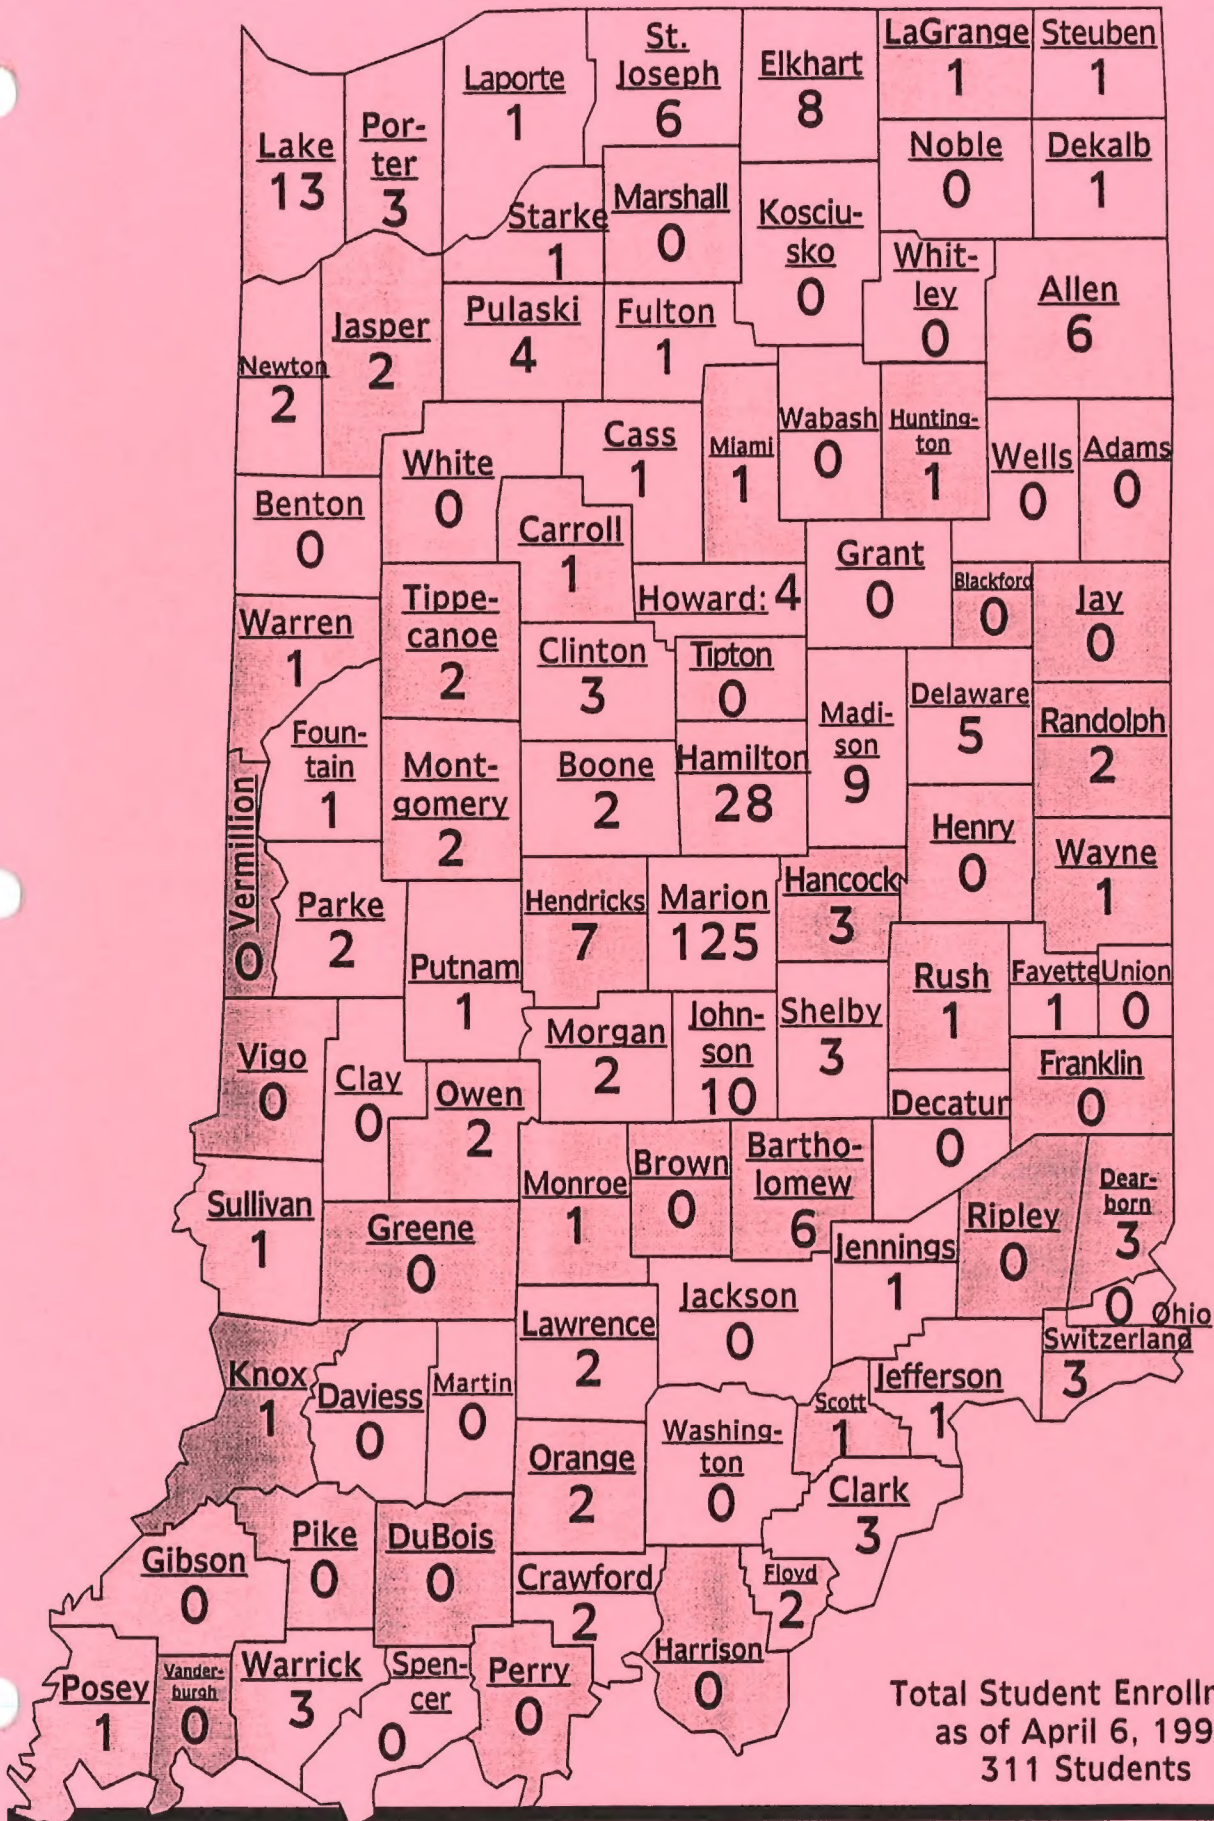

_____ I could attend the workshop on Wednesday, June 10, 1998.

_____ I could attend the workshop on Thursday, June 11, 1998.

_____ I could attend the workshop on Friday, June 12, 1998.
